SERVING PUBLIC AGENCIES SINCE 2002

Registration Application Spring 2016

Supervisor/Manager Academy

Thank you for your interest in the Regional Government Services Supervisor/Manager Academy! The training will include hands-on skill building and individual goal setting designed to increase your effectiveness in leading people. Coaching will be offered to help you apply what you learn in your work environment.

In order to get to know participants a bit beforehand and to acquaint you with our unique approach, please fill out the information below and respond to the questions.

Academy Instructors/Coaches Anne Oliver and Sally Rice bring over 45 years of combined experience in helping staff develop their skills, especially their interpersonal know-how, problem solving communication and ability to get work done through other people.

If you have further questions please contact:
